

Simpson Davits

COONEY MARINE Ltd

TENDER RING DAVIT

The perfect davit for use with your bathing platform

- Simpson Davits introduce an oval tube section hinging tender launch and retrieval system for use on swim steps and bathing platforms.
- Simple to install requiring just 6 fixings to secure the *Tender Ring* to your boat.
- Your Tender remains free from fixings and adhesive, so davit is kind to your tubes.
- A fully welded mirror finished oval tube frame combined with the use of high quality 316 Stainless Steel throughout, ensures Simpson Davit Quality and long life span - at an inexpensive price.
- The *Tender Ring* solves the problem of what to do with a tender when cruising.
- Standard Simpson Davit 3 year warranty.
- The *Tender Ring* Davit was a finalist in the SEEDA Seawork Innovation Showcase Awards 2010.
- As members of the British Marine Federation we support UK manufacturing and skills.
- Everyone should have a *Tender Ring*.

Please contact our dedicated sales team at Cooney Marine to discuss your tender ring requirements.
